

EV Charging Station Subcommittee
Marshfield Energy Committee
April 10, 2019

In attendance: Amanda Carlson, Nick Seifert, Rich Phillips

Rich spoke with Chris Martin (of the selectboard) who seemed to be pretty amenable to allocating the remaining \$2k from the OSC capital improvements fund.

Rich will take care of the ANR related items (numbers 2, 3 and 4 in the Checklist)

Nick will reach out to GMP about the rate structure.

- Rate for admin should be either on a per/charge basis (regardless of kWh pulled), OR charged based on kWh
- Should raise this to the selectboard at 4/16 meeting.

Nick will also work up a project schedule

Nick to review the EV grant application document.

Amanda will:

- Site plan and photos
- Technical equipment specifications
- Budget worksheet

Selectboard on 4/16

- Nick to confirm that we are on the agenda for this.
- Rich plans to attend.
-

Next meeting will be on 4/23 at 6pm.

- Each of us should bring the above items completed (as much as possible)
- We'll plan to work on the application itself
- At this point we should have everything done, or nearly done. We should also know what is left to do.
